In the Assessment Screen

Select a class.

Read the instructions

Open up the framework cascade by clicking on the down arrows.

The screenshot shows the 'Assessment Grid 2019 - 20' interface. At the top, there are navigation tabs: BACK TO, ASSESS, TRACK, REPORT, DATA, ANALYTICS, and YEAR. Below these are statistics: PUPILS: 6, MALE: 0, FEMALE: 0, EAL: 0, SEN: 0, PUPIL PREMIUM: 0, and LOOKED AFTER: 0. The main header area includes the title 'Assessment Grid 2019 - 20' and a subject selection dropdown currently set to 'Rebound Therapy + HFI (C.2)'. A 'How do I...?' button is in the top right. A green arrow points to the 'How do I...?' button with the text 'Read the instructions'. Below the header is a 'Select Class or Year' section with buttons for Class 3, Class 1A, Class 1B, Class 2A, Class 2S (selected), Year 1, Year 2, and Year 3. A large blue box contains instructions: 'This is what your selected pupil assessment framework would look like in the Earwig Assessment Grid. To see the detail, open the grey Subject lozenges in the left panel by clicking on the little 'down' arrow. Continue until you reach the lowest level of the subject cascade which will contain the relevant target statements against which each pupil is graded. The default grading scheme is illustrated above the subject lozenges. But this can be easily modified to achieve whatever schema you prefer. To understand more about how the Assessment Module works, click on the How Do I...? button top right to choose from several instruction video clips. Use the Framework finder button top left to get back to your framework list. This screen is provided for illustration only and various features and facilities have been disabled. This content may not be copied without the written consent of Earwig Academic Reporting Ltd and any other relevant copyright holder.' Below the instructions are buttons for NEXT STEPS, BASELINES, and SCREENSHOT PDF. The bottom section shows a 'Working Level' table with columns L1a through L2e, a 'Grades' section with 'Working on' and 'Achieved' bars, and a 'Frameworkfinder Academy' section with an 'Assess All' button. The main area displays a grid of subject lozenges for 'Rebound Therapy + HFI (C.2)', 'Rebound: Grade 3', and 'Rebound: Grade 2'. A green arrow points to the down arrows on the lozenges with the text 'Open any cascade.'.

Open any cascade.

Check out how grades are applied.
You can use any grading system you like.

The screenshot shows a software interface for applying grades. On the left is a sidebar with a 'Grades' section containing five color-coded buttons: 'Encountered' (purple), 'Emerging' (orange), 'Developing' (yellow), 'Achieved' (green), and 'Secure' (blue). Below this are sections for 'Great Oaks School', 'Great Oaks: CORE (C.1)', 'English', 'Writing', 'GO21', 'Handwriting', and a description 'Uses a variety of writing tools with confidence'. The main area is a grid with columns for teachers (Amber Holden, B McManamon, C Robinson, Jake Atkinson, Millie Brown, Ruby Eccles) and rows for subjects (Pupil Notes, Next Steps, etc.). A green arrow points from the 'Grades' section to the grid. Another green arrow points from a large text box to the grid. A third green arrow points from a text box to the grade buttons at the bottom of the grid.

Email your shortlist to yourself or your colleagues. This will provide links to the example frameworks.

[Email your shortlist](#)

These are the frameworks available in the Earwig Framework Library, based on your search. You can order these by clicking on any of the SEND categories shown. For example, clicking on PMLD will bring the frameworks suitable for PMLD to the top of the list, in order of popularity with Earwig client schools. The default listing is always Earwig recommendations (yellow star) on the top. Otherwise alphabetically.

Framework	Schools	Notes	Shortlist	MLD	SLD	MLD	ASD	SLCN	HI	VI	PD	Sp

If the framework is editable (e.g. EHCP)
You can edit the target text and add further
targets or complete layers.

The screenshot displays the 'SEN Demo School' interface for 'EHCP Objectives'. At the top, there are two progress bars: 'Working Level' (Starting out, Working on, Achieved) and 'Grades' (None, Insuff, Some, Expec, V Good, Excell). The main section lists objectives with their progress percentages and dates. A red arrow points to the '+' icon in the 'Long term outcome' row, and another red arrow points to the crayon icon in the 'Medium term target' row. A text box at the bottom prompts the user to 'Type your proposed target here.'.

Objective Category	Progress	Date
EHCP Objectives	7 / 16%	
Sensory and Physical Needs	7% / 22/02/2020	
Long term outcome		
Medium term target		
Short term objective		
Communication and Interaction	10% / 30%	

Decide how you want your editable EHCP framework set up.
